

## Fast Clip Bar Chairs

Our extensive range of Fast Clip-on Bar Chairs is designed to make steel fixing and traceability easier, with each chair identified by cover.

They are made from quality materials and come in two head sizes to accommodate different bar sizes, one for bar 4mm to 20mm and the other for bar 20mm to 36mm. The convenient, economical range is designed for minimal exposure and coloured grey to match the concrete.

Both head sizes available in 15, 20, 25, 30, 35, 40, 45, 50, 60, 65 and 75mm cover.

Bases allow extra heights of 15 and 25mm. (also suits mesh chair)

**Tested to AS/NZS 2425:2015**

**Ideal for:**  
 Precast and Tilt-Up  
 Suspended decks  
 Beams, walls and panels
